Curriculum

A Message From Roberto Santiago, Dean

The BibleWay Publishing is making books and lessons available to the **International Bible Knowledge Institute**.

The goal of the Institute is to make Bible lessons available to anyone interested in learning more about God and His Will. The lessons can be downloaded, studied online, used in group Bible studies or used in an email ministry by individuals or churches.

After completing a course, a certificate of completion is given. To earn a IBKI diploma a student must complete the four courses and seven elective lessons. A "BKS" (Bible Knowledge Scholar) Award in Advanced Studies is granted to students who complete the four courses, all Elective Lessons and seven of the Additional Studies. The Elective Lessons and Additional Studies are listed in the back of the Curriculum.

There is no tuition or fees for any IBKI studies or services. There may be a charge for printed books and lessons. The International Bible Knowledge Institute is not an accredited institution.

Lessons are available in Spanish. Lessons in the Ukrainian and the India languages of Bengali, Hindi, Kannada, Odia, Tamil and Telugu are in the process of editing. IBKI welcomes the translation of their books and lessons in other languages. Once lessons have been translated, edited, verified and approved by the publisher, they can be added to thebibleway.net

IBKI grants permission to download and reproduce for non-commercial purposes books and lessons in their entirety without change or charge.
