## REVELATION An Unorthodox Interpretation

**“The kingdom of the world has become the  
kingdom of our Lord and of his Messiah and he will  
reign for ever and ever.”**

## President's Statement

You are encouraged to study your Bible so you can determine if a Bible lesson is someone's opinion. Sometimes opinions creep into audio, video and printed books and lessons as well as Bible commentaries; also, in the teachings of preachers, ministers, pastors, priests or rabbis. The comments (opinions) presented in BibleWay books and lessons are those of the author or compiler. It is YOUR responsibility to seek, know and do God's will.

In verifying, you may wish to read different Bible translations – ESV, NIV, NASU, RSV, KJV. Also use Strong's Greek and Hebrew Dictionary, Thayer's Greek-English Lexicon and Vine's Expository Dictionary for meaning of words or phrases you do not know. Be careful with dictionary meaning as they change over time and dictionaries provide ancient and current meaning of words and phrases.

Several Greek words may be translated into one word in English and may distort the original meaning. For instance, the Greek words *de* and *kai* were translated as "and" in English. In Greek *De* is used to separate two nouns whereas *kai* connected two nouns.

Let God speak to you from His Holy Word as recorded in the Bible.
