The International Bible Knowledge Institute (IBKI), a part of BibleWay Publishing (BWP), is the non-profit Bible ministry of Randolph Dunn.

The objective of the International Bible Knowledge Institute is to make Bible lessons available to anyone interested in learning more about God and His will. The lessons can be studied in classrooms, by Zoom, online, downloaded to a digital device, emailed, printed, or used by individuals, groups, or churches in their evangelistic ministry. An IBKI Certificate will be awarded by the classroom instructor after a student has completed each course and an IBKI Bible Scholar Diploma when all six courses have been completed. The International Bible Knowledge Institute is not an accredited institution.
