## International Bible Knowledge Institute

The objective of the International Bible Knowledge Institute (IBKI) is to make Bible lessons available to anyone interested in learning more about God and His will. Students are NOT required to attend the Institute to earn a certificate or diploma. These lessons can be studied online, downloaded to a digital device, emailed, printed, or used by individuals or churches in their evangelistic ministry.

Non-English books are presented in parallel format with English; e.g., Time Before Christ | క్రీస్తుకు ముందు సమయం. English books were translated into the receiving language by computer thus not as accurate as manual translations. Upon request, IBKI books can be computer translated to other languages and put in the parallel format, such as English and Telugu shown above. IBKI request they be notified of any mistranslations found in any language. Permission is granted to reproduce books without charge or change.

An IBKI Certificate will be awarded by the regional director upon completion of each of the first four courses, an IBKI Achiever Diploma following completion of the first five courses, an IBKI Scholar Diploma upon completion of all six courses. After completing all seven courses, you are an IBKI Master Bible Scholar.

The International Bible Knowledge Institute is not an accredited institution.
